SEMI-SEMI

SENIOR

CLASSES

Mr Snyder,

This year has gone fast - esp. the last half but we all have next year to look forward to.

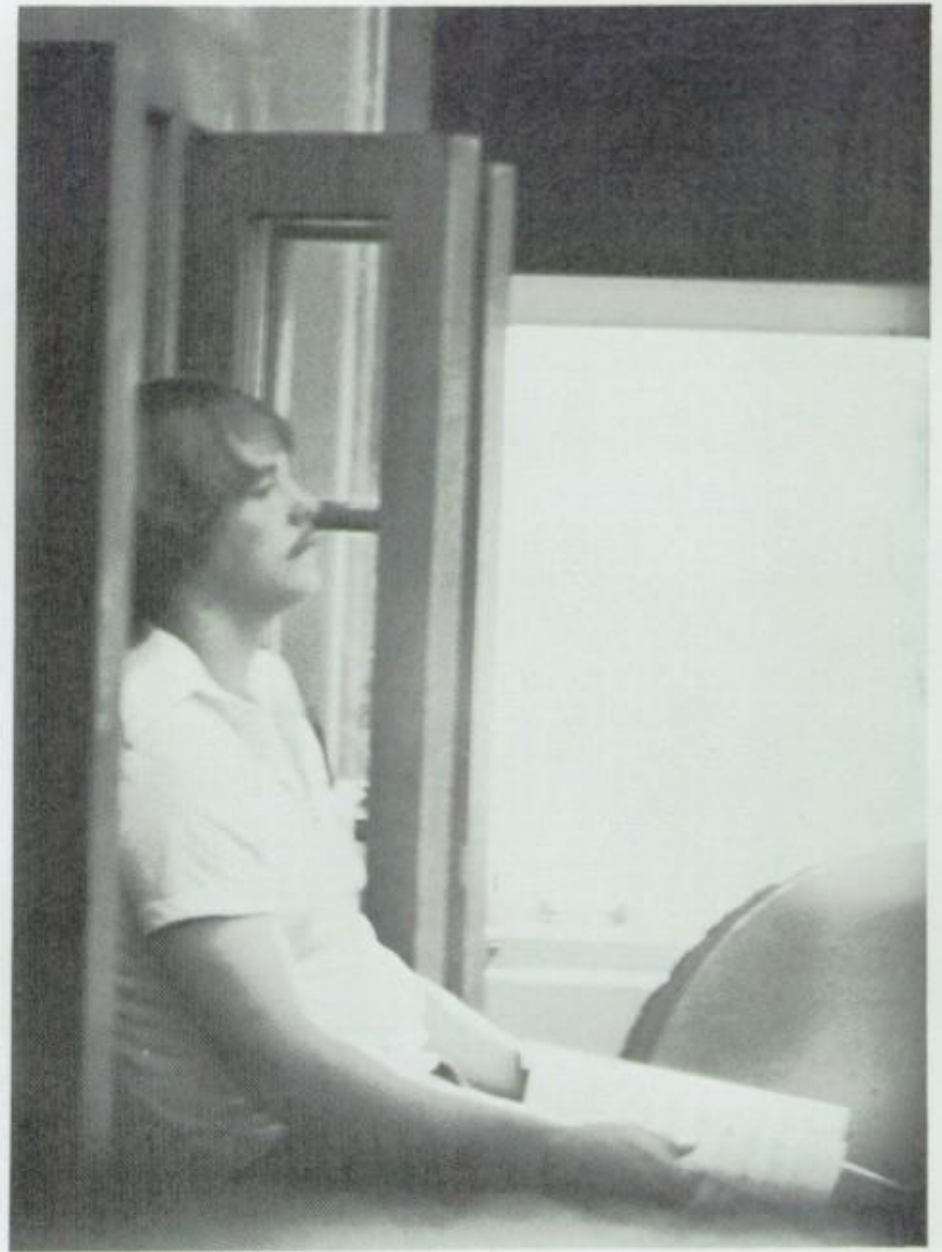

It's been fun doing work for you it breaks the everyday routine which is something I need. You'll have to excuse my slowness in doing your work though.

I wish you the very best in your future years here and out of school, the school wouldn't be the same without you.

Have a great summer, maybe you'll see you somewhere and you'll look forward to working for you next year.

She invites several famous detective writers. Some unplanned events occur and the weekend takes an unexpected turn.

"The Best Under the Sun"

The Varden Portrait.

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in fine portraiture. When you graduate, don't settle for less.
